In addition to all of this, there's another bowlathon coming up for the Peel Region this month (April 24th) that we need your support on! We were really happy with the success the last one generated and I'm hoping we can get some new pledgers interested in supporting this time around - especially from people in our 'West-end'! Again, the page to make your pledges is www.djglenc.com/support.html. \$5 is all you need to make a difference! And by the way, it's 5-Pin this time around so hopefully I guess that means there are less pins to miss! ;o)

See you soon!
