JANUARY

Hope you all enjoyed whatever you decided to do to 'ring' in the New Years! If you were at the Delta (Four Points) I don't have to tell you about the AMAZING time we all had! I'll post the pics up on my site as soon as I fully recover...

And now, it's time to keep the gears grinding as we head into a new year!

Even though my actual birthday is January 11th, I'm celebrating at a variety of events with my friends, family and fellow Capricorns for the entire month of January! Why??? It's like this...why should anyone restrict themselves to celebrating life for only 1 day a year, when you can celebrate the whole month!?!?!? Especially considering that you only turn 30 once! ;o)

For this reason, I've gotten together with my sponsors, club owners, promoters and fellow DJs to bring the GTA a full month of events, where I will be celebrating my birthday, along with the birthdays of all other Capricorns at each event! Most of them are FREE if you RSVP and show up on time! Here's the breakdown of events I'll be celebrating at:
