### JULY

I was just starting to put my records together for the HPNOTIQ BLU boat cruise happening this coming Sunday and I thought I'd better send the upcoming events for July, since I'm sure the majority of you have already booked the Friday off of work to give yourselves an extra long weekend!

The boat cruise this Sunday is shaping up to look like a very memorable event! If you still wish to RSVP, I don't want to sound like Miss Cleo, but "CALL ME NOW" -- 416-575-9087! **To all who have already RSVP'd for your \$30 boat cruise ticket, we will be contacting you to deliver them within the next 48 hours.** If you have any special musical requests, let me know and we'll hook you up good and proper!

See [www.djglenc.com](http://www.djglenc.com) for updates on all these events and more!

Feel free to forward or post this message to your good friends, co-workers and colleagues. Your support is *always* appreciated!
